Chapter President Report Form:

To be completed by the Chapter President and submitted to the Region Chair prior to the Region Forum:

Chapter President Name: Mark E. Boettcher **Chapter No:** 5 **Date:** Oct. 8, 2007

Strengths of Chapter: What are the major strengths and positives of your Chapter?

Strong sense of history and tradition that is recognized by a core group of members.

Weaknesses of Chapter: What are the major weaknesses of your Chapter?

The strong sense of history and tradition is recognized only by a core group of members.

The Chapter's geographic reach can be problematic without compensating benefits.

Opportunities of Chapter: Are there unique opportunities in the Chapter for advancing IRWA's and the Chapter's mission?

It occurred to the President (me) that there have been (and may continue to be) significant opportunities to increase public awareness of the ROW process given news coverage since the Kelo decision.

International should have been in the forefront – not taking sides – but defending the ROW process, much like the Appraisal Institute does with issues like appraisal fraud and the semi-related current foreclosure issue

Problems in Chapter: Are there any emerging threats to IRWA's or the Chapter's mission in the region?

None noted by President
